

New Patient Letter

Your new patient visit may last up to 2 hours which includes check in, office visit and checkout. Results of current labwork would be helpful. The charge for this visit is \$295 for an adult. An additional \$100-\$300 should be allowed for doctor-recommended supplements, lab tests or therapies.

You will be charged for this appointment unless you cancel 24 hours in advance .

The Jangaard Clinic recommends at least 1-2 follow-up appointments at 4-8 week intervals. Follow up office visits cost \$105 and may last up to 45 minutes from check in to check out.

Payment is expected at time of visit. We accept cash, check, VISA and MasterCard but at this time we would like payment by credit card. We do not bill insurance companies but will be happy to give you the appropriate form to submit to your insurance company.

Currently, our scheduled clinic hours are Tuesday, Wednesday, and Thursday from 9 am to 1 pm. Monday we are open 9 am to 2 pm for supplement orders, messages and scheduling. Friday supplement orders only from 9 – noon.

Messages, orders, appointment changes, and cancellations can be left on our voice mails 24/7. Call 360-331-6470 to choose an extension.
